AVIVA IS OFF TO A FLESH START

● She's Dresched for success. "Real Housewife" **Aviva Drescher** (l.) was spotted outside **Dr. Barry Weintraub's** Fifth Ave. offices recently, post-Botox appointment. "She was telling pals she had Botox and a chemical peel to prep for an appearance on **Andy Cohen's** 'Watch What Happens Live,'" said a source. Drescher told our spy that the special, airing next month, will include interviews with every "RHONY" cast member in the show's seven-year history.
