### AVIVA OFF TO A FLESH START

She's Dresched for success. "Real Housewife" **Aviva Drescher** was spotted outside **Dr. Barry Weintraub's** Fifth Ave. offices recently, post-Botox appointment. "She was telling pals she had Botox and a chemical peel to prep for an appearance on **Andy Cohen's** 'Watch What Happens Live' that will celebrate the 100th episode of 'The Real Housewives of New York,'" said a source who spoke to the reality star. Drescher told our spy that the special, airing next month, will include interviews with every "RHONY" cast member in the show's seven-year history.
